Farm Bureau's August meeting at the "Corn Crib"

The Humboldt county Farm Bureau held our August 2020 Board Meeting at the Sarvinski Farm called the "Corn Crib" in Pepperwood on Monday, August 3rd. Over 30 members gathered for a tour of the farm with Ginger Sarvinski, Gene, Alissa and Silas on hand to help with the tour and answer the many questions about their operation. Their family dedication to agriculture is amazing and their high quality produce is a reflection of their hard work.

Ginger showed us the rows and rows of Corn – planted at different times to be ripe over a period of several months. The many tomato varieties are planted fit the needs of the diverse customers they have

each fall. There were rows and rows of corn, Sunflowers, Squash, Beets, more corn, tomatoes, bush beans, onions, peppers, and more. To top all this off, there were over 35 orchard trees growing plums, peaches, and many varieties of apples. The tour was amazing and our hats is off to the entire Sarvinski family for all their hard work and success they are having with their farm and road side stand in Pepperwood.

Host family for the Farm Bureau meeting: Ginger, Gene and Alissa Sarvinski at the Corn Crib in Pepperwood.

Beautiful "Raffle Prize" the Sarvinski family put together for the meeting. The winner was Alexa Alexandre.
